

It's oh so quiet...

WHEN THE RESULT COUNTS

SoZen

- No tryptophan, no magnesium – very unique formula !
- 100% Herbal mixture
- Balances adrenaline – cortisol in the equine body
- Relief stress, ideal for hot horses
- Important : 10 day upload – afterwards use few days when needed, or daily in lower dose

Calm

- Based on magnesium, tryptophane and herbs
- Sharpens the edges, makes the horse more relax
- Very effective for young and spooky horses
- Also strong result on horses that become introvert from stress
- Effects begin immediately and build gradually over 2 to 3 days

Take it Easy

- Contains a high doses of tryptophane to increase focus
- Perfect for stressfull situations
- For rapid effect (within 24h)
- Can be combined with Cavalor Pianissimo or Cavalor Sozen for stronger results

Venus

- For moody mares
- Herbal extract that supports hormonal balance and helps the mare to relax
- Maintain a healthy balanced hormonal and nervous system throughout her cycles
